Here's how it works...

We will be showing eight films of actual horse races throughout the evening, each with eight numbered horses. The first fifty six tickets sold will include ownership of one horse in one of the first seven races, the winning owner of each race will receive £20, the horses in the eighth race will be auctioned off, the successful bidder whose horse wins the race will receive half of the total amount bid on all eight horses.

Before each race you will be able to place a bet at the tote table on whichever horse you think will win.

You can bet on as many horses as you like, as many times as you like.

You will be given a ticket for each bet. Hold on to this, you'll need it to claim your winnings.

When all bets have been placed, the race will be shown and the winner displayed.

If your horse is the winner, collect your winnings from the tote table.
