MASONIC MISCELLANY FAIR

Do you have a Masonic interest beyond meetings and ritual? Do you collect anything connected with your Freemasonry, such as certificates, jewels, stamps, antiques and other artefacts or books and ephemera?

We will be running a Masonic Miscellany Fair at Croydon Masonic Centre on Saturday 26th August 2017. Our objective is to provide facilities for collectors to share information/experience, trade or sell items or generally browse with a view to making the daily advancement we are all exhorted to aspire to.
